Investment & Monitoring

The Investment and Monitoring Group is responsible for advising on investments across the transport sector, and monitoring and supporting the performance of those investments and the key transport sector agencies. Insights from the Group help inform system strategy, policy and regulatory design.

Principal Adviser - Crown Entity Monitoring | Kaitohutohu Mātāmua

The Crown Entity Monitoring team is one of five teams within the Investment and Monitoring Group.

The purpose of the team is to be the Ministry's lead adviser in supporting the Minister of Transport to oversee and manage the Crown's interests in, and relationship with four Crown entities:

- New Zealand Transport Agency, Waka Kotahi,
- Maritime New Zealand,
- Civil Aviation Authority, and
- Transport Accident Investigation Commission

The team is the Ministry's lead in managing the formal relationships between the Crown and the four entities. This includes providing insightful and timely advice on entity strategy and performance, actively engaging with entities to maximise their value and impact, and supporting board performance.

The team also advises the Minister on the board appointments and fees for the four Crown entities, as well as bespoke Crown companies such as City Rail Link (CRL) Ltd.

Role Purpose

The Principal Adviser partners with Ministry leaders and staff to manage governance and accountability requirements, including financial, commercial and regulatory advice and assessment in the sector to support the successful delivery of government priorities.

Te mahi | What you will do

This role is responsible for:

- Working with senior staff across the transport sector to provide expert governance and accountability advice specific to their organisations or the sector including:
 - Leading and undertaking the preparation of, or contribution to, advice on Crown entity governance, capability and performance.
 - Testing and providing expert advice on the economic and financial assumptions proposed by Crown entities relating to organisational budgeting
 - Providing expert advice on entity capability to deliver against organisational goals (e.g. on value for money, performance measures, impact on entity finances).
- Leading the development of Crown monitoring programmes to assess the governance, capability and performance of the transport Crown entities.
- Leading the development and delivery of targeted assessments into the capability and performance of the transport Crown entities.
- Providing sophisticated and innovative advice to Ministers on Crown entity accountability documents (such as Annual reports, Statements of Intent and Performance Expectations and Letters of Expectations).
- Building and maintaining effective relationships with key internal and external stakeholders to inform advice, enhance the Ministry's transport sector leadership position, and inform stakeholders of relevant issues.
- Identifying and addressing ongoing issues, opportunities, risks and trends relating to the transport agencies and wider system.

- Actively creating and taking opportunities to influence decision-making, shifting the debate on intractable issues.
- Managing day-to-day relationships with peers across the Ministry and in the transport Crown entities.
- Coaching, mentoring and motivating others to develop high-quality advice and to lift the Ministry's capability.
- Contributing to team and Ministry planning processes and the development of strategies and work programmes to enhance overall effectiveness.
- Working collaboratively with transport sector and other agencies to facilitate effective resource and information-sharing.

The duties and responsibilities in this document are not exhaustive. The incumbent may be required to perform other work which is consistent with the nature of the role.
